DETAILED ACTION

This Office Action is in response to the RCE filed 15 November 2005.

Allowable Subject Matter

Claims 10-117 are allowed.

The following is an examiner's statement of reasons for allowance: Claims 10-15, 40-46, 51, 52, 57, 58, 63-69, 94-100, 105-106, 111-112 and 117 are allowable because prior art does not disclose alone or in combination along with the limitations of the independent claims such as a first wiring line comprising a first portion and second portion, where the second portion is not directly connected to the first portion, wherein the first portion of the first wiring line and second wiring line are electrically connected with each other via a plurality of contact holes opened in the insulating film and wherein the second portion of the first wiring line and second wiring line are electrically connected with each other via a plurality of contact holes opened in the insulating film.

Claims 16-39, 47-50, 53-56, 59-62, 70-93, 101-104, 107-110 and 113-116 are allowable because prior art does not disclose alone or in combination along with the limitations of the independent claims such as a third wiring line formed on a same surface as the first wiring line and extending between the first and second portions of the wiring line wherein the first portion of the first wiring line and second wiring line are electrically connected with each other via a plurality of contact holes opened in the insulating film and wherein the second portion of the first wiring line and second wiring
